

Integrated Management Systems (IMS) Internal Auditor Training

Duration:

Two days

Objective

This intensive two day programme is designed to help you develop both your knowledge and the requisite skills to effectively undertake audits of integrated ISO 9001 (Quality), ISO 14001 (Environmental) and ISO 18001 (Health and Safety) management systems. You will leave the course with confidence and the necessary abilities to effectively conduct management systems audits of integrated systems.

Contents

This practical programme aims to develop the skills of existing quality, environmental and occupational health & safety auditors to become auditors of integrated management systems.

By the end of this course you will be able to:

Overview of ISO 9001:2015 quality, ISO 14001:2015 environmental and OHSAS 18001:2007 health & safety management system requirements

Plan-Do-Check-Act methodology

Quality, environmental and health and safety management principles

Risk-based thinking

Auditors roles and responsibilities

Types of audits

Auditors roles and responsibilities

Reporting valid findings and managing corrective actions

Who should attend

Existing Internal Quality auditors and Internal OSHE auditors who wish to understand the requirements of all three systems together with anyone else wishing to understand the principles of IMS auditing.

Course benefits

Upon successful completion delegates will be equipped with the technical skills and knowledge required to plan, conduct and report internal integrated management systems audits, saving both time spent on auditing and cost to your organisation. Delegates will also find the interactive nature of the course, it's challenging content and extensive use of team-based exercises an enjoyable and effective way to learn.

Additional information

Certificates

All delegates who successfully complete this course will receive a Certificate of Attendance.

Trainers background

The Trainer for this course is both a Consultant and Third Party Auditor of Quality, Environmental and Health and Safety Management Systems for one of the world's largest Third Party Certification bodies. He is an IRCA Accredited Lead Auditor and has successfully delivered all of our Internal Auditor and Lead Auditor Training programmes for over five years.

Here is what George M from Belfast had to say: "I would highly recommend your company to other people. The course. . . was brilliant from start to finish, Kristian is a top class trainer and the attention we received from Richard and his staff was second to none."
